Aliens Must Register And Be Fingerprinted

Austin, Aug. 20—The meaning and terms of the Alien Registration Act of 1940 were explained today by Ray E. Lee, Postmaster at Austin, in a Texas State Network broadcast of the "United States Government Reports" weekly series.

Under the Act, non-citizens residing in the United States must register and be fingerprinted at post offices throughout the country during the period August 27, through December 26, 1940.

In an interview discussion with B. Frank White, Acting State Director for the Office of Government Reports, Lee said the most reliable estimates available placed the number of aliens in this country at 3,500,000. Failure to register makes an alien liable to a fine of \$1,000 and six months in prison.

Questions which must be answered by the non-citizen at the time of registration include the length of time he has been in this country and how long he expects to stay; method of transportation he used to get here; description of any military or naval service he has had; and the names of any organizations, clubs or societies in which he participates or holds memberships, along with a description of his activities in such groups.

Replying to criticisms of the law, Mr. Lee declared that he believed most aliens would register as a patriotic duty, "knowing that by protecting their adopted homeland, they are protecting themselves, their families, and their jobs."

Congressman Garrett Helps Get Aid For Colored School Here

Thanks to Clyde L. Garrett, for his untiring efforts in helping the Hamlin School Board secure a W. P. A. project, which means the construction of a colored school building in Hamlin.

Up to this time Hamlin has never had a school building for their colored children. They have held school each year in one of their churches, which has never been satisfactory.

The building is to be of native stone and inside dimensions are 22 feet by 40 feet. It is to be modestly but modernly equipped. It will be located conveniently for the colored children and will cost when completed in the neighborhood of \$4,000.00. Approximately three fourths of this money is to be supplied by the National Government.

Thursday, August 15, Mr. Garrett visited Hamlin and was contacted by Thos. Teague, chairman of the local school board, and G. R. Bennett, superintendent of schools, who explained to Mr. Garrett our immediate need for the building. Mr. Garrett wired Washington before leaving Hamlin and official confirmation of Government help on this project was received by the local board on Saturday, August 17th.

On Wednesday, August 21, Mr. Teague received a telegram from Senator Tom Connally, also confirming Mr. Garrett's action on the colored school. Hamlin people are indeed grateful for Mr. Garrett's prompt attention in this matter.

The work on the new project will start very early, as the project at the City Park is about through and the same force will be moved from there.

BAPTIST CHURCH

Three united with the church upon profession of faith last Sunday. That is as it should be. From Sunday to Sunday the lost should be saved. This will always come when we become as interested as we should be. A Sunday School teacher who was interested in boys was responsible for the three coming last Sunday.

Sunday is the last Sunday in this month. We want a record attendance for this quarter. The pastor will be in the pulpit for both services. We have completed our meetings, and will be here on the job.

"See you in Sunday School and church Sunday."

H. E. EAST, Pastor

Miss Louise Proctor is spending this week in Stephenville visiting her sister, Mrs. O. D. Brooks.

High School Principal Frank Lawlis Resigns

Mr. and Mrs. Frank Lawlis and children left Sunday for Kermit where they will make their home, and where Mr. Lawlis will act as manager of the Barnes Pharmacy, having recently bought a half interest in the business.

For the past three years Mr. Lawlis has been connected with the Hamlin schools, serving as principal of the Elementary School for two years, and as principal of the High School for the past year.

Both Mr. and Mrs. Lawlis were active in church and club work.

To The People of Hamlin

Words cannot express our appreciation of your friendship during our stay in Hamlin. We have enjoyed every minute and do hope that our new home will be half so pleasant. For heaven's sake, stop and see us in Kermit!

MR. and MRS. FRANK M. LAWLIS

CARD of THANKS

The Hamlin School Band joins the High School Parent-Teacher Association in expressing sincerest thanks and appreciation to each patron and friend who contributed in any way to the success of the Cake Walk last Saturday night. We were greatly pleased with the splendid co-operation so freely extended by all, as well as with the substantial amount of proceeds received.

This money has been placed in the band fund and will be used immediately as partial payment on band instruments for the school. We hope each of you spent an enjoyable evening in fun and fellowship, and we feel sure that you shall feel amply repaid for all your contributions when you "see" and "hear" the results of your efforts.

Thank you, each and all,
Mrs. Gordon Bennett,
Publicity Chm. High School P.-T. A.

Aged Brother Dies

Mrs. W. D. Cooper returned this week from Taylor, Texas, where she attended the funeral of her brother, W. L. Lawrence, age 86, who died Friday afternoon of last week. Besides Mrs. Cooper, only one other sister of the deceased survives, Mrs. Ellen Holley, of Fort Worth.

No migratory bird can be legally killed in Texas with any gun other than a shot gun.

\$17.00 More Added to First Bale Premium

Last week Hamlin received its first 1940 new bale of cotton. It was brought in by Mr. L. H. Hammit of near Royston. Up to press time last week a premium list of \$25.00 had been raised and this week an additional \$17.00 was added, which makes Mr. Hammit a nice gift of \$42.00. He is very appreciative of this amount.

The new list shows:

Compress \$2.00, Oil Mill \$3.00, and Rockwell Bros., West Texas Utilities Co., B. Hassen, Art Carmichael, Inzer's, all \$1.00 each. Haskell Carter and M. P. May each 50 cents. Ginning \$6.00.

J. A. Holden who resides south of Hamlin has a letter from his missionary son in Colombia, South America. He will arrive in the United States soon and hold meetings in various large cities before coming to Hamlin. His letter will likely be published next week, or soon.

J. W. Ellison Died Here Early Sunday Morning

Jones County lost a good farmer and citizen when death took J. W. Ellison at his home east of Hamlin at 6:00 o'clock Sunday, August 18.

Mr. Ellison had not been in good health for several years, however, he continued up and about his farm duties until a few days before his death.

Mr. Ellison was born in Upshur County, Texas on May 30, 1889. This made his age 51 years, 5 mos. and 18 days. He was married to Miss Mady Moore, December 19, 1909, at Kearns, and to this union there are the following surviving children, Everett, Alton, Jack, Boyd and Charles, and Ruth Ellison, all at home with their mother. The other children are Pearl Ellison, manager of the Hilton Hotel in Long Beach, Calif.; Forrest Ellison employed at the Sir Francis Drake Hotel in San Francisco; Mrs. Noble Harkins of Banning, Calif., and Earl Ellison of Boulder City, Nevada.

Mr. Ellison was an unassuming man and a father who was deeply interested in the welfare of his family, and he wanted his friends to know of the successes of his children. He was a hard worker, deeply sincere and conscious of his responsibilities as a citizen. He often remarked that he had never had much of the world's goods but he did have some boys and girls to be proud of.

Besides the children many other relatives came for the funeral. They included the step-mother, Mrs. Ida Ellison of Tyler; Mrs. S. H. Moore and Mrs. Kate Morrison of Corsicana, the mother and a sister of Mrs. Ellison; Mr. and Mrs. Willie Guinn, of Pittsburg and Mrs. Billie Massey of Athens, both sisters of the deceased; Mrs. Cyral Moore and children of Corsicana, a sister-in-law, and Mr. and Mrs. H. G. Massey of Kearns, an own sister of Mrs. Ellison; Mr. and Mrs. Coy Ellison of Henderson and Mr. and Mrs. Conq Wade of Tyler.

Mr. Ellison was a quiet Christian man, a member of the Hamlin Baptist church, but since he resided near the Abbie church, he attended there. It was at that place the funeral was held at 10:00 A. M. Monday by the pastor, Rev. Chas. Torrence, and Rev. Henard East of Hamlin.

The body was in charge of the Barrow Company and was placed to rest in East Cemetery.

R. M. Bryan, wife and daughter, Mrs. N. O. Crockett, and sons of Floyd and Merrit, Texas, are spending the week here with their daughter, Mrs. E. L. Jenkins and E. H. Jenkins and family. Mr. Bryan formerly lived east of Hamlin.

Young Man, Your Country Needs You

An unlimited number of men are wanted for the United States Marine Corps at once, in order that the peacetime strength may be increased to 34,000 men. What are you doing for your country, young man? The U. S. MARINES want YOU to aid in the building of a great national defense for AMERICA! It is your country and your duty as an AMERICAN! Enlist in the U. S. MARINES now; don't wait for conscription.

A recruiting party of the MARINES will be at the Post Office in BRECKENRIDGE, TEXAS, four days starting Monday, August 26th. This is your opportunity to enlist in one of the best branches of the armed forces in the United States, an opportunity that is seldom offered by the MARINES. The Marine Corps wants to help you start your career and there is not a better place to start than in the MARINES. There is a place waiting for you, a home of your own with the "Soldiers of the Sea." Think it over buddy, before you make your choice.

Who are the MARINES? Well, the MARINES are the fellows who sail the seven seas, who have followed the trail of adventure the world over, East of Suez, or West of Broadway, for the MARINES travel enough to know adventure when they see it.

If you are between the ages of 18 and 30 years, single, white, with no dependents and have completed grammar school, then you are eligible for enlistment. See the recruiting officer in Breckenridge on Aug. 26th, 27, 28th, or 29th at the Post Office and let him explain the Marine Corps to you and the advantages you will gain by enlisting in the Marines now!

METHODIST CHURCH

Rev. John W. Hendrix, Pastor

Church School, 9:45 A. M.

Morning Worship comes at 10:50. The choir will make their offering of choice hymns and the pastor will deliver a sermon, using as subject, "The Disappointed Architect." If you ask the pastor, and he has heard it mentioned favorably by others, you have done wonders in building and re-building a house of worship. This subject will have somewhat to say about finishing this big task, finishing the inside job. It is really an "inside job".

EVENING WORSHIP, 8:15—and it gives great pleasure to make this offering to the church: Mr. W. F. Martin will speak, using as his subject, "Religion and Young People." This will be a young people's service. Our speaker needs no introduction, is known to all. He is an accomplished young lawyer in whom we are all well pleased. All of us will hear him gladly.

LEAGUES? both of them, will meet at the usual hour, 7:30 P. M. A fine program is being prepared for the Young People's service at this hour, 7:30 P. M.

NOTE: It has been reliably reported to the Herald that Rev. and Mrs. Hendrix will return from their vacation Friday of this week, and that he will be in his pulpit Sunday. Rev. and Mrs. John Hendrix must be up in "Kool Kolorado," as the above church notice was mailed at Lake City, Colo. The Methodist pastor also sent along a "short story," "Fisherman's Luck" — it was typewritten on a sheet of paper 9 and half inches wide and 44 inches long. It is some story, "believe you us."

Rev. J. Henry Littleton To Preach at Flat Top

The Herald is requested to announce that Rev. J. Henry Littleton, District Missionary, will preach at the Flat Top Baptist Church the first Sunday in September, the same being the First Day of the month. Herald readers, tell your friends.

POT SHOTS FROM M'CAULLEY

—BY GEO. DARDEN—

Wiley Martin was a visitor in the home of his parents, Mr. and Mrs. G. W. Martin last Sunday.

At last our country has been blessed with a much needed rain and the smiles on the faces of our citizens makes us all glad that we live in a country that is still at peace with the world.

The Baptist meeting closed Sunday night. Bro. Sibby, pastor of the First Church at Sweetwater did a fine job. Some twelve persons came for baptism.

Joleen and Tommie Harris, are visiting in the home of their grandparents, Mr. and Mrs. Walter Faulkenberry this week.

Oscar Jones who lives four miles east of town tells us he has a bale of cotton per acre made if the worms or something doesn't get it first.

Mr. and Mrs. E. S. Huffman who live at Carlton, Texas, were week end visitors in the home of Mr. and Mrs. Ben Short. Mr. Huffman and

Mr. Short are brothers-in-law.

Louis Yates and Nash Miers made a trip of Dallas last week on business.

Miss Melba McKinney has returned home from a three weeks visit with relatives in Upshur County.

The home demonstration club ladies entertained their husbands along with other invited guests with a big feed at the farm home of Mrs. Fancher south of town Tuesday night. This is about to become an annual affair and we men folks say Amen.

Mrs. C. D. Jones and Mrs. H. W. Madden entertained a number of youngsters on last Tuesday evening with a picnic at Sweetwater Park, honoring their daughters, Bonnie Beth Jones and Frankie Sue Madden on their sixth birthdays.

It looks as if McCauley community is going to get more rural electric lines in the near future. Some of these days the country homes will have everything that the city affords.

Roy Formway was in town Tuesday on business and also in behalf of his candidacy for County Judge.

Owing to the trend in world events, we believe that, as individuals, our greatest opportunity at the moment lies in service to our state and to our nation that we go to the polls Saturday to vote our convictions, and we feel we should vote for the best interests of our country and for men who have been tried and found worthy. There has never been a Representative from this district more loyal and more faithful than our present Congressman, the Hon. Clyde Garrett, and in perilous times like this we should give him a large majority this Saturday. It is a known fact that he has done more for the Seventeenth District in the length of time that he has been in service than any other man who has served as our Representative for this district, and we believe the voters will show their appreciation for his tireless efforts and faithful service on this Saturday. Our forefathers wrought well and founded a government which should stand, and when we know that we have fine leaders and men who believe in the principles for which our pioneers fought and died and leaders who are opposed to everything that is un-American, then we should do what we can to keep such men in office, especially do we need our present congressman. God grant that never in these United States may there be desecrated those sound fundamentals and ideals for which this democracy of ours stands.

It is immaterial who the chairman is. It is purely an empty honor. The majority vote on the commission ought always to be in favor of the general welfare of the people. That's where my vote will be cast every time. When Col. Thompson is right I will vote with him. When Jerry Sadler is right I will vote with him. When, in my opinion either or both of them are wrong, I will vote against them. My obligation will be to the people, and to no politician. I will do my duty on the Commission independently and without regard to the political fortunes of any man or any clique which may desire control of the commission."

Girls Are Advised To Build-Up For Relief

Lack of knowledge causes many a weak, undernourished girl a lot of suffering!

Many others, however, know how the headaches, nervousness, cramp-like pain of functional dysmenorrhea due to malnutrition are helped by the proper use of CARDUI.

Some take it a few days before and during "the time," to help ease periodic distress. But CARDUI's principal use is to help increase appetite; stimulate the flow of gastric juice; so aid digestion, assist in building up physical resistance and thus help reduce periodic distress. Women have used CARDUI for over 50 years.

Dr. and Mrs. G. W. Baker of Walters, Okla., were here last Friday and Saturday to visit their daughter and husband, Dr. and Mrs. Don Gould.
